

## HOPE VALE ABORIGINAL SHIRE COUNCIL

### MEETING REPORT

---

ITEM NO: 6.2.6                      GENERAL MEETING:  
SUBJECT:                              Payment for Borghero Mini Buckers  
CLASSIFICATION:                  ACTION / INFORMATION / CONFIDENTIAL

---

#### RECOMMENDATION

##### That Council

- support the Borghero Mini Buckers at a cost of approximately \$50 000 subject to an entrance fee being applied to the venue by Council; and
- that Council approve June 6 as the preferred date to hold the event

---

#### BUDGET & RESOURCE CONSIDERATIONS

Whilst Council has the money to pay it has not included this in the current years budget. They have provided a quote of \$49 000. This does not include the cost of the Ambulance as would be required by insurers. It is estimated this could cost \$10 000

#### BACKGROUND / DISCUSSION

Council has been approached by Borghero Mini Buckers to consider a rodeo in Hopevale. They supply all animals for the event as well as judges, management of animals, equipment and staff.

They have supplied a quote of \$49 000 but Council would need to also include the cost of the Ambulance service. Approximately \$10 000

They advise that Public Liability is covered.  
Prize money is covered.

They have suggested two dates to be considered May 23, 2026 or June 6, 2026
