*Hope Vale Aboriginal Shire Council's Mayor  
Cr Jason Woibo's monthly message*

---

It is pleasing to see that the COVID vaccination numbers are increasing in Hope Vale as this will go a long way to increasing the protection of our residents when the COVID virus comes closer to our township.

With the Queensland borders now opened to all interstate visitors, we can already see cases coming into our State. If anybody believes that they might have COVID symptoms, they should contact the clinic immediately.

Council was very pleased with the community support for the Council Community Christmas event held at the Pioneer Hall. It was good to see families attending to enjoy the night. Thanks to all of the people that made this event happen.

I would like to take this opportunity on behalf of Council to wish every resident of Hope Vale a very Merry Christmas and hope that you have a good break over the holiday season.
